

Security Cameras Supplier Privacy Notice

Dear Ocean Blue Suppliers,

At Ocean Blue, we wish to inform you about our security cameras under Personal Data Protection Law No. 6698 (KVKK), which is in force to protect fundamental rights and freedoms in the use of personal data.

Camera surveillance is carried out to ensure the internal and external security of buildings and facilities, control access, ensure the legal, commercial and technical security of persons with whom we have a business relationship, implement occupational health and safety principles and fulfil statutory obligations. Recordings may be obtained twenty-four hours a day, seven days a week through cameras at designated locations on the premises.

Video is recorded through a total of 50 security cameras at Ocean Blue's entrance doors, external façades, general guest and staff areas, restaurants, à la carte restaurants, bars, lobby, floor corridors, swimming pools and service areas to ensure building security. Recording is supervised by the Security Department.

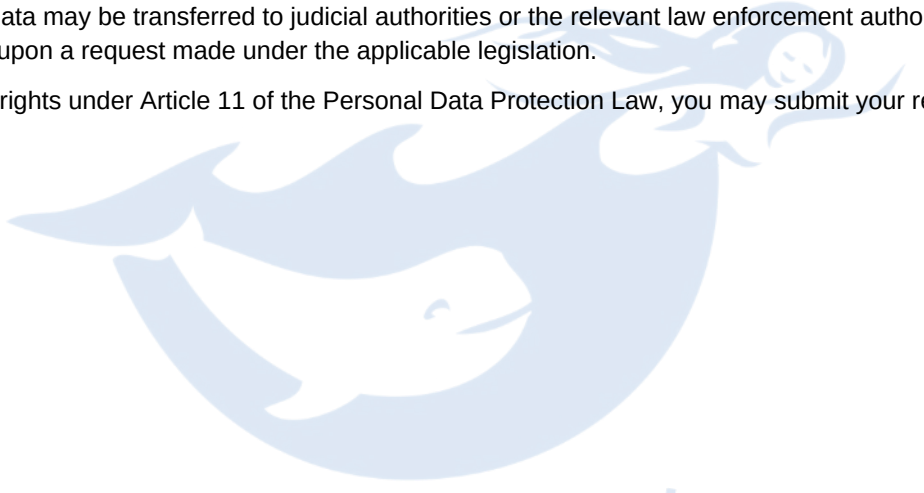

Employees are not monitored in areas where surveillance could interfere with privacy beyond security purposes, such as changing rooms and toilets.

These personal data are processed automatically on the legal grounds in Article 5 of the Law: processing being necessary for the data controller to fulfil its legal obligations, and processing being necessary for the controller's legitimate interests, provided that the fundamental rights and freedoms of the data subject are not harmed.

These personal data may be transferred to judicial authorities or the relevant law enforcement authorities to resolve legal disputes or upon a request made under the applicable legislation.

To exercise your rights under Article 11 of the Personal Data Protection Law, you may submit your request to our hotel in writing.

Yours sincerely,
